MAY 17
10 a.m. – 6 p.m.

MAY 18

11 a.m. - 5 p.m.

Collecting art is more than acquiring objects; it is curating a personal dialogue between your emotions and the world around you. Each piece chosen becomes a mirror, reflecting your evolving tastes, dreams, and experiences, transforming your space into a sanctuary of inspiration and meaning. A well-chosen work of art does not simply fill a space; it transforms it, infusing your environment with energy and resonance that speak to your soul. Loving art is about connection—it challenges, soothes, and reminds you of the emotions and moments that define your journey. An investment in art is an investment in joy, in the richness of experience, and in the intangible ways that beauty enhances existence.

We are so pleased that **Citadel Credit Union** has once again partnered with us in supporting our mission of promoting local and regional artists.
